

PRESIDENT'S MESSAGE

APRIL 18TH 2017

I want to thank all club members for their active participation in the "Setting the Course Workshops". The meetings were a great success and now we have plenty of material from which to develop a direction for the club over the next three years. A group comprising Richard Blakeman, Robert Winspear, Ian Salek, Charles Tran, John Kumnick and I will develop the draft plan for presentation to members at the club meeting on June 6th.

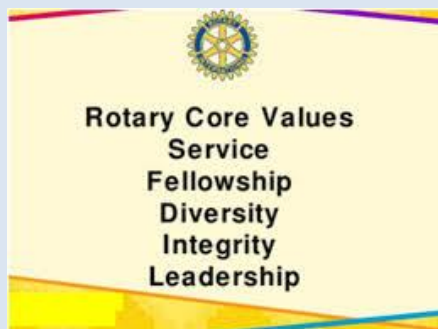

Our fundraising event of the year - the Sumba Eyes in Your Hands Dinner Dance is now only 2 weeks away. Bookings are now closed but organiser Mark Ellis is still seeking volunteers to help out on the night. If you can help, please let Mark know directly - he will be very pleased to hear from you. The organising team under Mark's guidance are doing a wonderful job and it promises to be another successful evening. Many generous donors have ensured there are plenty of items up for auction and to raffle.

Thanks largely to Rob Winspear's efforts on membership marketing it's likely we will increase membership by at least 4 before the end of year - whilst not a large number it is certainly in the right direction. Thankyou Rob.

I hope everyone has an enjoyable Anzac Day and I'll see you all at our next meeting on Tuesday 2nd May when our speaker will be John O'Reilly from Disaster Aid.

Yours in Rotary,

Carol

CLUB MEETING REPORT

18TH APRIL 2016

His Honour Judge Peter Couzens
Chairman Adult Parole Board

The brutal rape and murder of ABC staffer Jill Meagher by parolee Adrian Ernest Bayley in Brunswick in 2012 prompted the most extensive review of adult parole laws since the Victorian parole system was established by Sir Arthur Rylah in 1957.

Public outrage was loud and long, demanding significant changes explained speaker Peter Couzens at the club meeting on April 18th. The changes followed the review by Ian Callinan AC QC in 2013. The report stated that the parole board frequently put the rights of prisoners ahead of community safety when issuing parole.

In front of the largest club gathering at Kooyong since the Christmas Party, Peter Couzens explained that community safety was now enshrined in law as the priority consideration for the Parole Board. Now, when a parolee breaks the terms of their parole, as was the case with Bayley, they are immediately re-incarcerated.

Parole is a fundamental part of the criminal justice system, much over criticised. In Victoria it is mandatory, in the case of sentencing offenders to periods of imprisonment of two years or more, for the sentencing judge or magistrate to set a non-parole period. 97% of prisoners will be released following the end of their sentence or non-parole period. Whether or not a prisoner is released at the end of the non-parole period is determined by the Adult Parole Board.

Since the implementation of the recommendations of the Callinan enquiry, there has been a notable reduction in the number of offenders re-offending while on parole. The Queensland Government is currently undertaking a review of its parole laws, and is using the new Victorian legislation as a model.

Meeting Chairman Bob Scott presented Adult Parole Board Chairman Judge Peter Couzens with the club's Certificate of Appreciation for his absorbing and informative talk.

Working with
Children Check

In accordance with District 9800 and club policy, Assistant Secretary Keith Duncan is now recording the currency of Working with Children accreditations for all club members. The aim is to have 100% compliance by June 30, 2017.

So far Keith has 13 confirmations via WWC authorities of current certifications held. Just 31 more to go!

Details of the process, which is quite straightforward, are set out on the Victorian Government website:

Easter Bunyip Bunny Visits Farmer's Market

First time visitor promises reprise after successful debut

It was all the fun of the Easter fair, or is it fare, at the Boroondara Farmers' Market at Patterson Reserve Hawthorn East on Saturday April 15th.

Accompanied by Cinderella, who had to go without her usual pumpkin coach as it had, according to fake news reports, been sold at the market, EB (as he is known to friends) distributed chocolate eggs, market discount vouchers, generous hugs and lots of good cheer wherever he went.

The market, always strongly supported by the City of Boroondara, featured a local council booth where residents were asked to nominate what they saw as the priority issues for the City to address. Also featured for the first time were rest and recreation marquees in the centre of the Reserve, where patrons could enjoy a rest, a coffee and a chat with friends. The centre marquees were very popular, adding much atmosphere to the market, and will be a feature of all future markets.

Farmers' Market Director John Hudson reported that stallholder attendance was a little down on past markets, due to the Easter break, but patrons were steady, continuing the recent trend of shopping early. The market featured a new stallholder, Ethical Milk who, it is hoped, will have a long and successful run at the market.

Results for the day were:

Stall Holders (55)	4,185.00
Patrons (1,255)	2,510.45

Total	\$6,695.45

There will be a market on Easter Saturday again next year and EB has already been booked for a repeat performance. Pointing out that Bunyips have green eyes, long teeth and bad breath, EB also insisted that, had he in fact been a Bunyip, he would have eaten his own eggs. Point taken.

The next Boroondara Farmer's Market will be on Saturday April 29th, commencing 8:00am.

Easter Bunny, accompanied by Cinderella (played by Isabella) and cheerful helpers, Sophie and Ethan, added colour and smiles to a happy Easter Market.

Cinderella with basket of Easter eggs, and Councillor Coral Ross, Boroondara Councillor and Easter Bunny enthusiast, give EB a well deserved hug.

The Pop-Up Council Booth at the Market

Pink rabbit's Ears were in vogue at the Easter Market. Stall holder Neil White of 'Summer Sensation', above left, and Glenferrie Rotarians Bob and Angela Carey, bottom left, get into the Easter spirit.

Setting the Course

We're on the way

The second and final *Setting the Course* Workshop, conducted at Kooyong on April 11th, met with enthusiastic participation from club members resulting in many creative ideas for ensuring the club's future.

The meeting opened with a summary of the output from the first workshop, at which members addressed two planning questions posed by facilitator John Kumnick:

1. What do we want the club to be?
2. What are the priorities we need to work on to become that club?

At the second and final workshop it was agreed that the planning outcomes must be in alignment with the object of Rotary, and it was demonstrated that the priorities identified in workshop 1 were in complete alignment. At the second workshop the task was set to define for each priority the goals, strategies and actions required to achieve those priorities.

What sort of club will Glenferrie Rotary be three years from now?

"A **larger**, more **diverse**, more **collaborative** club, providing **friendship** and professional and business **networking** opportunities and engaging more effectively with the local community through the delivery of a greater number of primarily local **community service** and fundraising **projects** and through **communicating** more effectively internally and externally".

The objectives for the club over the next three years are defined as:

- Increase club membership and improve age, gender, cultural and vocational diversity.
- Increase the number of quality service projects.
- Improve the communication within the club and with the local community to increase awareness of the purpose and value of Rotary.
- Better develop leaders, in the club and beyond.

Six priorities were identified as key to the achievement of the objectives, around which plans will be built:

1. Membership
2. Service Projects
3. Personal Development
4. Collaborative Opportunities
5. Improved Communication
6. Fellowship

A consolidation team was formed to distil the output of Workshop 2 into a broad strategic plan for presentation to members at the club meeting on June 6th. If adopted, the plan will be handed to responsible incoming board directors for conversion into a more detailed operating plan for 2017-2018, the first stage in the implementation of the strategy. Notes from the meetings are available in the Members Area of the club website.

Welcome Lyn!

The club welcomed new member Lyn Kneale to the club in March. Lyn was inducted during the meeting at Kooyong on March 28th.

With a background in retail key account management, Lyn has already completed her first Farmers' Market duty and will serve on the Community Service Committee next year.

President Carol presented Lyn with her induction pack and badge and warmly welcomed her to Rotary.

We look forward very much to working with you Lyn, making a difference in the world in the years ahead. Welcome!

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First.

The development of acquaintance as an opportunity for service;

Second.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third.

The application of the ideal of service in each Rotarian's personal, business, and community life;

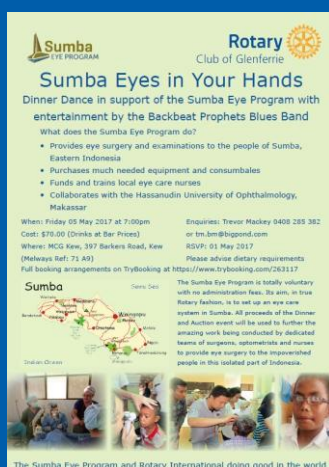

Fourth.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Sumba Rhumba

Bookings for the *Sumba Eyes in Your Hands* Dinner Dance on May 5th are now closed after overwhelming demand for tickets to this year's event. The Backbeat Prophets Blues Band is busy rehearsing, final arrangements are being made for the silent and noisy auctions, table arrangements and menus are being finalised.

The organising committee led by International Service Director Mark Ellis are calling for volunteers to help out on the night - helping direct members to their tables, checking tickets, etc.

If you can help please contact Mark directly. Mark's contact details can be found in the Club Handbook, and online at the club website.

Well done to this year's Organising Committee for an event which promises to be full of fun and festivity and, importantly will raise critical funds for the Clinic.

John and Eril hit the (rail) road

If you're looking for John and Eril Hudson over the next few weeks you won't see them at Rotary, that's for sure.

Always the intrepid travellers, John and Eril are embarking on a luxury train journey through parts of Africa few have seen, well few of us anyway.

Travelling in greater luxury than Queen Victoria experienced on her trips to Cowes, the Hudsons are expected to re-surface in about four weeks time, complete with slides and traveller's tales. Not saying where they're going exactly, it will be a surprise when they get back with the slide show. Bon voyage guys!

The Swinburne Wellbeing Clinic for Older Adults

Swinburne University, as part of their community engagement strategy, are running regular events covering a range of topics that impact wellbeing and ageing. The events are held on a Friday afternoon and are free to everyone. The program is delivered in four modules which commenced in March. The modules are:

1. Overview
2. Dementia
3. Emotional and Physical Issues
4. Residential Aged Care

Everyone, older adults, families, professionals, aged care staff, students, volunteers, counsellors, is welcome to attend. The full program has been lodged in the Members Area of the club website:
